Ireland4Europe Course for Teachers, School and VET Staff (Erasmus+ Funding KA1 Mobility Programmes)

Ireland4Europe organises courses for teachers, school and VET Staff for Erasmus+ funded programmes.

Our training activities focus on the main areas and topics for the new Erasmus+ 2021–2027:

Digitalisation of Schools and Training Institutions, Green Economy and respect for the environment and for the planet, Social Inclusion and Integration, European Awareness and Knowledge of the European Funding and of the potentiality of the Erasmus+ programme. We can offer training activities in some of the most beautiful destinations in Ireland:

Cork, Galway and Dublin.

Our programmes are tailor-made for small groups of teachers and professionals (minimum 8 maximum 15 participants) and we also offer support for the preparation of your project and for the planning of the training activities that are matching the professional and training needs of your entity.

Internship Programmes in Ireland for Students from Europe:

Ireland4Europe organises internship programmes for European Students. We can offer programmes for school groups within the Catering and Hospitality Sectors (in case of short-term programmes) or long-term internship programmes for more mature students who are seeking for an opportunity to improve their English in a real work environment and to acquire new skills and competences working within an international hosting company

Accommodation, Airport Transfers, Social Programme in Ireland:

Apart from organising your training activities, Ireland4Europe can also help you to book any other service needed during your stay in Ireland, we can find nice and selected Irish host-families, residential accommodation, B&B and hotels in the different destinations we offer in Ireland. We can also organise your airport transfers and coach or train services if needed and we can book some nice and interesting excursions to discover the beauties of Ireland. Our team is always available before, during and after your stay in Ireland and we can provide 24h emergency help-line. Please contact us to discover more about our services in Ireland.
